## Annual report for FY 2024/2025

### On Financial Disclosures Related To Climate Change (TCFD)

In implementation of The FRA's Decrees no. (107) and (108) for the year 2021

#### First: Introduction

The report on financial disclosures related to climate change - recommendations of the Task Force on Climate Financial Disclosure TCFD reflects the company's ability to manage the risks and opportunities associated with climate change, which creates confidence among investors that enables them to make investment decisions that take into consideration the range of financial risks and opportunities associated with climate change and the company's management mechanisms for transitional risks and Physical risks of the effects of climate change on the company's financial performance, thus providing more .transparency regarding climate-related risks and opportunities for investors

Based on the FRA responsibility towards NBFi including listed Companies on the Egyptian Stock Exchange, and within the framework of assisting these companies to submit annual reports to disclose ESG sustainability standards in accordance with the FRA decisions No. 107 and 108 of 2021, and to facilitate them, the FRA has prepared this electronic form to companies to fulfill the KPIs for financial .disclosures related to climate change - TCFD recommendations

Therefore, please be careful, accurate and transparent when filling out this form, and please attach the report form within the annual report prepared by the Board of Directors attached to the annual financial statements for the year 2024/2025 In case of any inquiries related to this matter, you can contact sustainable development department via email [sustainable.development@fra.gov.eg](mailto:sustainable.development@fra.gov.eg)

Second: Basic Data on The Status of Company

\* :Select the company's name .1

▼
